I checked all washes with flashlight, still no suspicious activity and any homeless people found residing. I noticed that [REDACTED] E calavar, has their sticker on their mailbox, so Thank You to whoever followed up on the. At approx. 1930 off of Thunderbird I observed a white female in a black hat and pink shirt walking and a gold minivan AZ pl# SAGEONE following, the male got out of the car and approached the female, I was alarmed at this point so drove closer and realized it was a domestic fight. As she walked off I asked her if she was okay, so I gave them some space but still continued to watch, male got back into car and continued to follow her and was watching me. Finally he turned around and she continued walking, when she passed by me again I</p> |

She was very thankful and I asked if he would be violent and she stated oh no, I said okay, and I just wanted to make sure she was alright, she said she would be fine and I again reiterated, he want become violent and she stated no, so I let her go along her way and off property. |
| 2027 | There was a white pick up parked on the wrong side of the bridge Az pl# AR8453, when I drove by they started up the truck turned around and left, just suspicious so I got the plate, nothing further with it. |
