2. No building, structure or premises shall be moved on, erected, constructed, altered, or maintained on any lot or any part thereof which shall be used, designed, intended to be used for any other purposes other than that of a single family residence as herein defined:

7. No house trailer, or other similar movable living quarters shall be kept on any lots for occupancy prior to or during construction of the main dwelling nor shall any such "house trailer" or other similar movable living quarters be maintained, stored or used on any lot unless it shall be enclosed in a garage or plainly concealed from view from any lot line.

9. None of said lots in said subdivision shall be conveyed in less than the full original dimension of such lot, as shown by the plat of said subdivision, but nothing herein contained shall be so construed as to prevent the use of more than one single family use, or lot to be divided between two adjacent lots into one single family dwelling building site, after which said lot and the adjacent part of a lot shall, for the purposes of these restrictions, be considered one lot.

10. No poultry, fowl, goats, sheep, swine, cows, horses or livestock of any kind shall ever be kept or maintained on any lot in said subdivision. No noisy or offensive activities shall be carried on upon any lot, nor shall anything be done thereon which may be, or may become an annoyance or nuisance to the neighborhood.

11. No structure of a temporary character, trailer, handcart, boat, truck, or barn, or other outbuilding shall be used on any lot at any time as a residence, either temporarily or permanently.

12. Failure to enforce any of the restrictions, rights, reservations, covenants and conditions contained herein shall not in any event be construed or held to be a waiver or consent to any further or succeeding breach or violation thereof. All deeds shall be given and accepted upon the express condition that said subdivision has been carefully planned as a choice residential district exclusively, and to assure lot owners in said subdivision may bring a proper action in the proper court to enforce or restrain said violation, or to collect damages or other such on account thereof.

13. These covenants are undertaken and agreed to by all the owners of the lots in said subdivision, for the benefit of all lot owners, and shall be binding on all owners of lots in said subdivision until January 1st, 1962, at which time said covenants shall be automatically extended for successive ten-year periods thereafter by a vote of a majority of the then owners of the lots it is agreed to change said covenants in whole or in part.

14. Deeds of conveyance for said property or any portion thereof and all deeds in the above covenants, conditions, stipulations and restrictions by reference to this document, conditions, stipulations and restrictions shall be binding as to respective grantees.

15. Invalidity of any one of these covenants, conditions, stipulations and restrictions shall in no wise affect any of the other provisions, which shall remain in full force and effect.
